Packets were prepared by teachers for students to work on.  
Please send completed work back to school when we resume.

### Grade 1-4

Students will be responsible to complete work each day through Google Classroom, Drive, Pearson or Google Hangout. Distance learning school hours will look similar to in-school hours. Students will rotate through their instructional areas according to their schedule on their google classroom homeroom page. All teachers are expected to be online and available to students between 8:30-3:30. Students will be sent a google form to check in and check out of each class throughout the day.

### Grade 5-8

Students will follow their regular schedule daily. First class starts at 8:30.  
The process was reviewed with them in each class.
